

## Château Puygueraud

16,5

“One third of the normal harvest. 63% Merlot, 30% Cabernet Franc, 7% Malbec. Deepest crimson. Dark and savoury on the nose. Savoury, smooth and not in the least sweet - fruited but still with enough fruit. Firm and dry and lots of freshness.”

Julia Harding, [JancisRobinson.com](http://JancisRobinson.com)

89-90

“A fresh and fruity red with dark berries and hints of flowers. Medium body, crisp acidity and a clean finish.”

James Suckling, [JamesSuckling.com](http://JamesSuckling.com)

88-90

“Checking in as a blend of 63% Merlot, 30% Cabernet Franc, and the balance Malbec, the 2017 Château Puygueraud has a vibrant ruby color to go with a beautiful perfumed nose of crème de cassis, violets, and spice. It has hints of background oak, incredibly pure fruit, medium body, and fine tannin, all making for a seriously good Côtes Francs. Tasted twice.”

Jeb Dunnuck, [JebDunnuck.com](http://JebDunnuck.com)

88

“Dark purple red with violet hue and almost black core. Elegant nose reminiscent of fresh dark grapes, blackberries, discreet spiciness in the background. On the palate sweet and juicy fruit, ripe tannins, elegant and fresh with good length.”

Markus del Monego

89

“Quite forward in style, the wine is soft, fresh, sweet ripe and already charming. In the finish it is easy to sense the minerality found in the vineyards. Produced from a blend of 63% Merlot, 30% Cabernet Franc and 7% Malbec. Due to the frost, 70% of the harvest was struck by the frost.”

Jeff Leve, [The Wine Cellar Insider](http://TheWineCellarInsider.com)

87-90

“Soft and forward, with plum and blackberry fruit infused with a tobacco leaf note. Shows a flash of spice on the finish.”

James Molesworth, [Wine Spectator](http://WineSpectator.com)
